

# 25th Nordic Workshop on Interorganizational Research

Uppsala University, Sweden, April 24<sup>th</sup>-26<sup>th</sup>, 2019

## WORKSHOP PURPOSE

The purpose of the workshop is to stimulate discussion among Ph.D. students and scholars within the area of interorganizational research. The workshop provides an excellent opportunity for the participants to present and discuss their research papers in a constructive and supportive environment. The workshop welcomes contributions from Ph.D. students, post doc researchers and faculty members. Empirical and conceptual research papers or work-in-progress papers related to interorganizational research are welcome.

## CALL FOR PAPERS

The workshop generally covers all aspects of interorganizational issues. Relevant themes could be:

- New perspectives on interorganizational research
- Combining Resources in Interorganizational Settings: An Interactive Perspective
- Interorganizational relationships from a time-, process-, and dynamic perspective
- Innovation and digitalization in interorganizational relationships
- Managing and strategizing in interorganizational relationships
- Policy making in an interorganizational perspective
- Interorganizational relationships from the perspectives of internationalization and regionalization
- Interorganizational relations in a public-private context
- Methodological issues of interorganizational research
